

# Tales in your Pocket

*Beyond a passing glance, what can be heard and seen?  
A tale, a song is beckoning, whispering from the green  
Sights and scents and wonders are living all around  
Step closer now, look deeper still; come softly, gently in.*

## Have fun in the woods

We hope this 'tool' can enhance your time in the outdoors to enjoy playing, exploring and discovering more of what is around you.

## Guide

Please read the stories, sing the songs – many of the songs are on my album, 'Songs from the Wood' – you'll find a token code attached, allowing you to download a complimentary copy of the CD. The other songs can be downloaded from my website:

On the back of each card are symbolised sections:

'Did you know?/Riddle' has a question mark.

'Activities' has a footprint.

'Games' has a dice.

'Links' has a magnifying glass – these are various websites of interest which can be found on my website.

*This is the first in the series of Tales in Your Pocket, and is but one dewdrop of rich information you can find in books and online.*
